

We've got it covered!

Now CPI have all you need to get the job done...

Quality Products

Choose the best! CPI EuroMix Renders are well known for their quality and they are specially formulated for spray application, so they are easy to use too! Available in silos or bags to suit the way you want to work.

Service & Spares

For unbeatable service backup, call CPI. Our team of experienced Service Technicians will sort you out!

- Full stock of spares for popular spray machines
- Delivery of parts direct to your site
- Site setup, demonstrations and training
- Telephone support and breakdown callout.

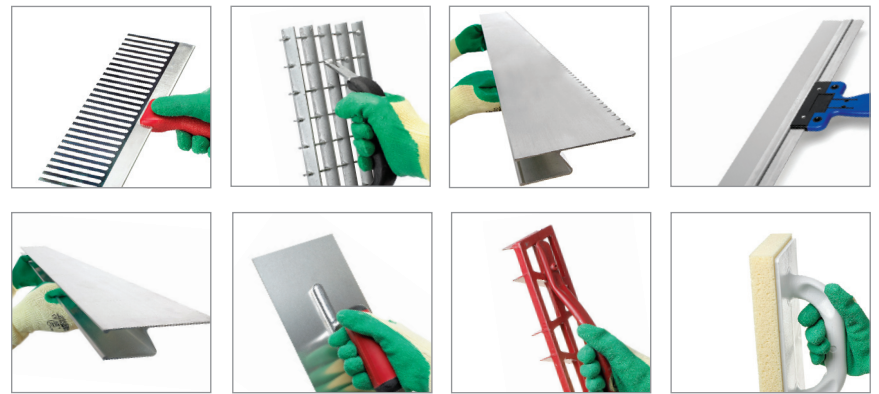

Spray Machines

Talk to CPI for advice on the right spray machine for your next job. Machines can be fed from 25kg bags or directly from our silos and conveying systems for even faster output.

Tools & Accessories

We want CPI to be your 'one-stop shop'... That's why we hold a full stock of quality plastering tools, plus all the essential bits and pieces you need to get the job done!

Beads & Mesh

We supply top quality products in PVC and galvanized steel. Also fibreglass mesh and protective film.
